Cheap apartments in Bulgaria by the sea
Type
Region SEASIDE RESORTS
Location Biala Obzor
Building type BRICKS

We offer you a cheap apartment in a small building, located at 150 m from the sea. The building is completely finished. Were used for its construction materials such as wood and natural stone. For the convenience of living in the courtyard of the building created a small garden with a gazebo. From the windows of all apartments overlook the sea and the Cap "Sv.Atanas." All apartments are fully finished and ready for furniture and equipment. The building is 50 meters from the main avenue of the town of Byala, walking on a beach. Not far from the back there are 2 restaurants, a water slide. In the central part of the town of Byala has everything you need for living: a supermarket, post office, bank, medical center, bus stop. Key factors: -new apartments in Bulgaria with a sea view at the sea - The town of Byala is inhabited all year round and not die out in the winter, the rest of the resorts -low-maintenance fee set -Easy access to the building, not far from the center of town. Not far from the airport (Byala-Varna, 55 km)   CAUTION! NO COMISSION FEE FROM BUYER!
